Dear Board of Commissioners,

I would like to thank Deputy Emergency Management Coordinator Jason Poremba and Secretary to the Coordinator Emily Malys for running the Township emergency operation center during the annual Talen Drill which was held on October 15th. Unfortunately, I was unable to attend the drill this year due to family matters. Jason and Emily had stepped up and ran the emergency operation center and participated in the drill.

As always, I would also like to thank our EMA volunteers who always do an amazing job during drills and in actual emergency events. I am excited that we were able to get two new volunteers who participated during the drill this year and hope they will return for future drills and activations.

Again, I want to thank Jason and Emily and all the volunteers who participated in the drill. The feedback from Talen was very positive and all objectives were met. This reaffirms that Newport Township has the best EMA volunteers in the county!

Sincerely,
