

Keystone Opportunity Zone

Newport Township is home to a large **KOZ**. It is located in the Ridgeview Section of the Township and is known as the Whitney Point Development and is a tax free area until December, 2017. It consists of approximately 532 acres and is both an industrial park and residential area. The residential area is planned to have 150 residential building lots in a four (4) phase development. The Industrial area will consist of nineteen (19) building lots and will have railroad service. Information on the KOZ can be obtained by calling 570-735-1747.
