Newport Township Parks and Recreation Report

October 5, 2026 Commissioner Meeting

Railroad Street Play Area - Progress:

We anticipate the Play Area Construction would have been completed by October 2026.

During a construction review the contractor realized he did not have the current bid construction drawing in the field. The situation was immediately rectified, and all work is being done in accordance with the contract documents at no additional cost to the Township.

Visible progress includes curbing, park benches, the play station, swings, stormwater collection, and natural grass planting. The flexible play surface has been expanded to meet contract specifications and provide more space between the swings and play station.

Remaining Work:

- Install exterior fencing as soon as it is available from the vendor.
- Expanded play surface shall be completed in the next few weeks.

SEPTEMBER CODE ENFORCEMENT PERMITS

19 Building Permits

2 Occupancy Permits

7 Zoning Permits

September 2026 Code Enforcement Report
